About Us

Our love of creating an amazing visual spectacle and being part of something special, drives who we are, and what we do, every day.

At Neg Earth Lights, we are at the top of the game. Voted favourite lighting rental company in the UK for the last 5 out of 7 years. We deliver quality and innovation on time, every time.

We believe that everything is possible. Whatever we do, we do with respect and passion within an exciting and inspiring community where everyone can excel. Using our collective creativity and resourcefulness, we truly believe that we can turn challenges into opportunities. The show must go on!

Come and experience the show from the best seat in the house. Get your hands on the latest and best quality equipment on the market and work with world renowned Lighting Designers. Set your career goals and follow your career development path while being part of a fun, inviting and diverse company culture

About You & The Role:

Our team is rapidly expanding and an exciting opportunity has arisen for a Motors and Spots Technician. The Purpose of the role is to promote Neg Earth Lights' reputation as a trusted provider of reliable, safe, high quality Motors, Motor Control, Follow Spots, Kinesys, Load Cells, Limpets and Guil towers.

Are you a great communicator and collaborative problem solver? Is building and maintaining strong relationships really important to you, even in challenging times? Are you a resilient self-starter who prioritises like a "pro" to stay ahead of the game? Can you respond calmly and maintain focus when faced with the challenges of last minute changes? Do you enjoy sharing your knowledge whilst adding to your own skill base?

You'll play an essential part in your team and company success story by:

- **Demonstrating strong technical skills**
 - Preparing, operating, servicing and repairing hoists and motor controls (CM, EXE and Liftkets).
 - Preparing, operating, servicing and repairing Limpet personnel winches.
 - Preparing, operating and testing Guil wind-up towers.
 - Preparing, inspecting, repairing and testing Kinesys systems.
 - Preparing, inspecting and testing BroadWeigh load cell systems.
 - Preparing, operating and repairing spot lights (Robert Juliat, Lancelot).
 - Inspecting returning equipment, checking in / return scanning of all equipment in line with internal procedures.
 - Ensuring that the standard of any sub-hired equipment meets the company's requirements
 - Portable Appliance Testing (PAT).
 - Diligently following Neg Earth Lights' internal procedures, legislative, manufacturer guidelines and all relevant Health & Safety requirements.

- **Communicating effectively**
 - Maintaining great working relationships with all internal and external stakeholders.
 - Ensuring systems and documentation are accurately maintained
 - Maintaining stock levels through liaison with other internal departments
 - The ability to maintain records and to be able to spot trends in equipment failure.
 - Providing technical support to Neg Earth colleagues, freelance crew and production crew

Your Skills, Qualifications and Experience

We can't live without your:

- Great technical skills and enthusiasm for technology and entertainment / lighting industry.
- Autonomy and the ability to work as part of a team.
- Ability to take ownership and accountability.
- Customer focused mentality and exemplary attention to detail.
- Problem solving skills, adaptability and flexibility.
- Great communication skills both verbal and written.
- Your ability to plan ahead, organize and prioritise workload.
- The show must go on so providing a 7 day operation/service is key. Therefore the ability to work paid overtime on occasions, including weekends is essential.

Nice to have, but we'll be happy to offer additional training and support in:

- Proven experience within a similar role or within the lighting / entertainment industry.
- Training Certificates in:
 - Hoists: CM, EXE and Liftkets.
 - Spotlights: Robert Juliat.
 - Guil wind-up towers.
 - Personnel Lift - Limpet.
 - Kinesys Vector, Libra load cells and Digi Hoist Controls.
 - BroadWeigh load cells.
 - Motor controls.

What's in it for you?

- Working with exceptional people, the latest technologies and being a part of a team making remarkable events happen.
- The opportunity to continue to grow and develop whilst working alongside a skilled team in a supportive culture.
- We'll take care of your physical and mental wellbeing with our Private Health Insurance and Pension Scheme, our Internal Wellbeing and Mental Health Awareness training scheme and onsite company gym.
- Free onsite parking
- As you'll be a star employee, you'll have the opportunity to be considered for an annual bonus.

Does this sound like you? Do you love challenge and are ready for an amazing career in a vibrant industry?
