Come and experience the show from the best seat in the house. Get your hands on the latest and best quality equipment on the market and work with world renowned Lighting Designers. Set your career goals and follow your career development path while being part of a fun, inviting and diverse company culture.

About You & The Role:

Our team is rapidly expanding and an opportunity has arisen for a knowledgeable Rigging Technician, who is looking for a dynamic warehouse based role within a friendly and results orientated team.

Are you a great communicator and collaborative problem solver? Is building and maintaining strong relationships really important to you, even in challenging times? Are you a resilient self-starter who prioritises like a 'pro' to stay ahead of the game? Can you respond calmly and maintain focus when faced with the challenges of last minute changes?

You will play an essential part in your team and company success story by:

- **Demonstrating strong technical and operational skills**
 - Preparing, examining and inspecting rigging equipment and flagging any maintenance issues.
 - Proactively managing stock levels including forecasting future requirements and accurately recording information onto the central databases, spread sheets and check lists.
 - Ensuring that equipment is kept clean, stored safely and correctly.
 - Inspecting returning equipment, checking in / return scanning of all equipment in line with internal procedures.
 - Ensuring that the standard of any sub-hired equipment meets the company's requirements.
 - Diligently following Neg Earth Lights' internal procedures, legislative, manufacturer guidelines and all relevant Health & Safety requirements.
 -
- **Communicating effectively**
 - Maintaining great working relationships with all internal and external stakeholders.
 - Ensuring systems and documentation are accurately maintained
 - Maintaining stock levels through liaison with other internal departments
 - The ability to maintain records and to be able to spot trends in equipment failure.
 - Providing technical support to Neg Earth colleagues, freelance crew and production crew

Your Skills, Qualifications and Experience

We can't live without your:

- Knowledge of LOLER regulations.
- Proven experience in fault finding and repairs.
- Autonomy and the ability to work as part of a team.
- Ability to take ownership and accountability.
- Customer focused mentality and exemplary attention to detail.
- Problem solving skills, adaptability and flexibility.
- Great communication skills both verbal and written.
- Your ability to plan ahead, organize and prioritise workload.
- The show must go on so providing a 7 day operation/service is key. Therefore the ability to work paid overtime on occasions, including weekends is essential.

Nice to have, but we'll be happy to offer additional training and support in:

- Intermediate MS Office applications – Outlook, Excel, Word.
- The use of a stock control system.
- Experience within the lighting / entertainment industry.
- Experience within a rental warehouse environment.

We are also curious about:

- Rigging Inspection Qualification.
- LEEA.
- NRC.
- IPAF.
- Fork Lift Truck licence.
- Clean UK driving licence.

What's in it for you?

- Working with exceptional people, the latest technologies and being a part of a team making remarkable events happen.
- The opportunity to continue to grow and develop whilst working alongside a skilled team in a supportive culture.
- We'll take care of your physical and mental wellbeing with our Private Health Insurance and Pension Scheme, our Internal Wellbeing and Mental Health Awareness training scheme and onsite company gym.
- Free onsite parking.
- As you'll be a star employee, you'll have the opportunity to be considered for an annual bonus.

Does this sound like you? Do you love challenge and are ready for an amazing career in a vibrant industry?
