## About Us

Our love of creating an amazing visual spectacle and being part of something special, drives who we are, and what we do, every day.

At Neg Earth Lights, we are at the top of the game. Voted favourite lighting rental company in the UK for the last 5 out of 7 years. We deliver quality and innovation on time, every time.

We believe that everything is possible. Whatever we do, we do with respect and passion within an exciting and inspiring community where everyone can excel. Using our collective creativity and resourcefulness, we truly believe that we can turn challenges into opportunities. The show must go on!

Come and experience the show from the best seat in the house. Get your hands on the latest and best quality equipment on the market and work with world renowned Lighting Designers. Set your career goals and follow your career development path while being part of a fun, inviting and diverse company culture.

## About You & The Role:

An excellent opportunity has arisen in our Equipment Management Team for an enthusiastic and motivated Equipment Co-ordinator. The purpose of this role is to ensure that Neg Earth's reputation for excellence and innovation is enhanced, by proactive and efficient monitoring, planning and allocation of lighting and rigging equipment to support project requirements in cooperation and to work alongside with the Project Team.

Are you curious and a collaborative problem solver? Do you feel comfortable communicating with a broad spectrum of people? Is building and maintaining strong relationships really important to you, even in challenging times? Are you a resilient self-starter who prioritises like a pro to stay ahead of the game? Are you organized and do you have great attention to detail? Can you respond calmly and maintain focus when faced with the challenges of last minute changes? Can you respond quickly and work to tight deadlines?

## **You'll play an essential part in the company success story by:**

- Managing the equipment requirements and acting as the primary contact between project handlers and warehouse teams.
- Sourcing equipment via carefully selected third party suppliers as and when appropriate.
- Ensuring that equipment requirements are correctly identified and all entries and amendments are accurately recorded onto the stock management system and communicated to all relevant internal teams.
- Checking that stock audits are carried out to ensure the stock management system is reflecting accurate stock quantities.
- Quality control of the use of the stock management system and suggesting solutions for repeated problems.
- Work alongside the project team on efficient and streamlined equipment administration process and working to agreed deadlines.
- Keeping up to date with Neg Earth Lights hire stock and industry trends.
- Always being ahead of the game in equipment planning and finding best possible solution for potential challenges during the project life span - such as equipment shortages, changes in clients' requirements and schedules, etc.
- Being a friendly point of contact and support for the warehouse and office teams and also for the touring crew

## **Your Skills, Qualifications and Experience**

### We can't live without your:

- Industry knowledge and experience working in the live events environment.
- Knowledge of the newest trends in entertainment lighting and rigging.
- Proven experience interpreting plots.
- Experience in working with freelance crew.
- Experience sourcing equipment using a stock control systems.
- Advanced MS Office applications skills– Outlook, Excel, Word.
- Ability to work autonomously whilst being a real team player.
- Willingness to take ownership and accountability
- Your ability to plan ahead, organise, prioritise, delegate and oversee workload.
- Ability to work under pressure and to tight deadlines, demonstrating resilience, flexibility and ability to maintain positive relationships.
- Can-do positive attitude
- Great communication skills.
- The show must go on so providing a 7 day operation/service is key. Therefore the ability to work paid overtime on occasions, including weekends is essential.

### Nice to have, but we'll be happy to offer additional training and support:

- Experience with Easy Job and Warehouse Management System.
- Proven negotiation skills – price, deadline and quantities negotiations.

## **What's in it for you?**

- Working with exceptional people, the latest technologies and being a part of a team making remarkable events happen.
- The opportunity to continue to grow and develop whilst working alongside a skilled team in a supportive culture.

- You'll be working with the most respected lighting designers on global events using the best known equipment in the market.
- We'll take care of your physical and mental wellbeing with our Private Health Insurance and Pension Scheme, our Internal wellbeing and mental health awareness training scheme and onsite company Gym.
- Free onsite parking.
- As you'll be a star employee, you'll have the opportunity to be considered for an annual bonus.

**Does this sound like you? Do you love challenge and are ready for an amazing career in a vibrant industry?**
